Developments of biomethane projects
(Installed capacity and project numbers)

**Red**: total commissioned; **Blue**: part of total in operation

---

**Chart**: Totale aantallen beschikte installaties met jaarproductie (MWh) en totaal aantal producerende installaties met jaarproductie (MWh)
Distribution in capacity of biomethane projects in the Netherlands

**Orange:** in production; **Blue:** scheduled

**Total number of installations (production and non production) = 96**
Distribution of commissioned biomethane projects
