

SEMINAR ON THE PRODUCTION AND USE OF BIOGAS

Date: September 9, 2004
Place: Jyväskylä pavilion, Auditorium, Wolmar hall
Messukatku 10, FI-40101 Jyväskylä, Finland

PROGRAM

- 8.30 – 9.00** **Registration & Coffee**
*Chairman: Prof. **Kai Sipilä**, VTT*
- 9.00 – 9.15** **Opening of the Seminar**
*Ms. **Marjatta Aarniala**, MSc, Tekes*
- 9.15 – 9.45** **Energy from Biogas and Landfill gas - European Outlook**
*Dr. **Arthur Wellinger**, Nova Energie GmbH, Switzerland*
- 9.45 – 10.15** **Production and Use of Biogas in Finland**
*Prof. **Jukka Rintala**, University of Jyväskylä, Dept of Biological and Environmental Sciences*
- 10.15 – 10.45** **Production and Use of Biogas - EU Regulations and Research**
*Mr. **David Baxter**, European Commission, Joint Research Centre Petten*
- 10.45 – 11.00** **Break**
- 11.00 – 11.30** **Environmental Impact Assessment of the Biogas Plant (YVA-procedure)**
*Dr. **Juhani Suvilampi**, Watrec Oy*
- 11.30 – 12.00** **Potential of Co-digestion**
*Dr. **Rudolf Braun**, IFA-Tulln – Institute for Agrobiotechnology, Austria*
- 12.00 – 13.00** **Lunch break**
*Chairman: Prof. **Jukka Rintala***
- 13.00 – 13.30** **Upgrading and Use of Biogas as Fuel of Motor Vehicles**
*Mr. **Owe Jönsson**, Project Manager R&D, Svenskt Gastekniskt Center Ab*
- 13.30 – 15.00** **Biogas Plants in The Netherlands**
*Mr. **John Neeft**, SenterNovem, The Netherlands*
- Large-scale Biogas Plants in Denmark**
*Mrs. **Anne Seth Madsen**, NIRAS, Denmark*
- Small-scale Co-Digestion Plant in Laihia, Finland**
*Mr. **Martti Jormanainen**, Managing Director, Envipro Ky*
- Module Bioreactors in Insulated Lagoon**
*Mr. **Christopher Maltin**, Director, Organic Power Ltd, United Kingdom*
- 15.00 – 16.00** **Discussion**
